Welcome to the annual IBPO TACTICAL 3-GUN MATCH. This year we are honored to have the Point Blank Body Armor as a major match sponsor. The match will remain in PUEBLO, CO. we hope that this makes everyone happy. This year expect to see 5 individual stages and 3 team stages. We will again have 2 categories for teams, ALL AGENCY and MIXED AGENCY. The match will consist of multiple stages of fire and will have stages that will require the use of rifle, shotgun and pistol. All weapons must be duty worthy and we won't allow race guns. This is a trophy and prize match with everyone winning some great prizes. The Match is designed to provide excellent training and build rapport between all participating agencies. For the match you will need to bring your own weapons and ammo. Scoring will be modified USPSA scoring, with paper and steel targets. Rounds count will be approx. 200 rifle, 300 pistol, 100 shotgun (birdshot) and 30 slugs.
